VISION

We empower learners with the skills and dispositions to flourish

MISSION

We are committed to pushing the boundaries of learning for all our students, staff and parents. We bridge the gap between the core knowledge that allows students to succeed and create the opportunities to gain the skills and character traits to be innovative, adaptable and emotionally aware citizens of the future.

Our learning community is diverse and we celebrate and champion our differences within our highly inclusive 21st Century Learning Environment. At Keilor Views Primary School we foster and cultivate partnerships between students, teachers, parents and other carers to provide a progressive learning environment where we empower students through an innovative and engaging curriculum. We have a primary focus on well-being and empower each of our learners through voice, agency and leadership.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.
